VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT AMENDMENT

HON. ED CASE

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. CASE. Madam Speaker, I rise today to express appreciation to my House colleagues who voted for my amendment to our recently passed Violence Against Women Reauthorization Act (VAWA) to ensure the full inclusion of American Indians, Alaska Natives and Native Hawaiians in key parts of VAWA.

My amendment requires key data for full implementation of VAWA about our nation's indigenous peoples that has previously been unavailable, especially relating to Native Hawaiians. To develop this data, the federal government will conduct a review of law enforcement and other crime prevention programs dealing with child sexual exploitation, child abuse, intimate partner violence, human trafficking, missing or murdered individuals and substance abuse. The review will result in recommendations directly affecting the social, educational, economic and other factors contributing to Native Hawaiians becoming missing or murdered.

My amendment also calls for two additional reviews. The first one will examine programs that affect Native Hawaiians who are victims of criminal offenses. The second report will examine Native Hawaiians in the criminal justice system. This second report will also produce recommendations related to the social, educational, economic and other factors contributing to Native Hawaiians becoming involved in the criminal justice system.

The need for these reports and data is critical. While data is available for individuals of Native American and Alaska Native descent, it does not exist for Native Hawaiians who suffer from high incidences of violence. This new data will guide future legislation and identify key areas in which additional assistance and resources are needed. Organizations that are centered around helping the Native Hawaiian community will benefit as well through availability of accurate data to direct their resources better.

Mahalo nui loa (thank you very much) for your support for my amendment and for the inclusion of American Indian, Alaska Native and Native Hawaiian groups within VAWA.

CELEBRATING THE 96TH BIRTHDAY OF WWII VETERAN AND EL DORADO NATIVE, NOEL KENNY, CALAWAY, JR.

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. WESTERMAN. Madam Speaker, I rise today to celebrate the 96th birthday of Fourth District resident and World War II veteran, Mr. Noel Kenny Calaway, Jr. A longtime El Do-

rado resident, Mr. Calaway served as a Navy radioman on a patrol yacht in the Hawaiian Islands.

Born in El Dorado on April 19, 1925, Mr. Calaway graduated from high school in May 1943. He immediately went to work as an oil rig builder, but he received his draft notice on October 16, 1943, and reported for basic training at San Diego, California, and then a 20-week radio school in Boulder, Colorado. After arriving at Pearl Harbor in 1944, Calaway spent more than a year patrolling the Hawaiian Islands aboard an armed patrol vessel tasked with monitoring the area for submarines following the Japanese attack on Pearl Harbor. While the patrol yacht was armed with various anti-aircraft guns, he also radioed signals to U.S. warplanes, assisting American pilots with navigation in the region.

Following his discharge from the Navy in 1946, he made him home and raised his family in El Dorado, Arkansas, where he remains one of the best examples of our nation's greatest generation. I take this time today to honor the life of service exemplified by Mr. Calaway, and I ask that our nation join me in wishing him a happy 96th birthday. I thank him and his family for their dedication to our fellow citizens and the cause of liberty.

HONORING CAROL HUCHINGSON

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Carol J. Huchingson, whom I have named the 2021 Woman of the Year in Lake County, California. Woman of the Year recognizes women who have made important contributions to California's 5th Congressional District in Arts and Culture, Professional Achievement, Entrepreneurship and Innovation or Community Service.

A Northern California native, Ms. Huchingson earned her Bachelor and Master of Arts degrees in Social Welfare and Education, with special studies in Human Services Administration, from Humboldt State University in 1990. She worked for the County of Lake Department of Social Services as Director from 1994–2016 and currently works as County Administrative Officer.

Ms. Huchingson worked to revamp Lake County's Department of Social Services into an organization that effectively responds to the needs of our community members and efficiently reacts in times of disaster. Similarly, during her time as County Administrative officer, she advocated to strengthen our county's government workforce by increasing training and developing better relationships with labor organizations.

Ms. Huchingson was also an active leader during the 2015 Valley Fire, the 2016 Clayton Fire, the 2017 Wine Country Fire, the 2018 Mendocino Fire, and the 2020 August Complex Fire. Her leadership helped our community through difficult times. Due to Ms. Huchingson's initiative and commitment, Lake County is making its way to economic viability and recovery after these horrific disasters.

As COVID-19 has recently hindered local involvement in government, Ms. Huchingson led a team that developed a new, award-winning hybrid approach to public meetings. In August of 2020, six Board of Supervisors and
